

## 2011 Club Lotus, Show and Shine

A great turnout for this year's show and shine with a great variety of cars and over 30 attending.

The morning started with assembly of cars in the car park of the Horse and Trap in Mt Eden. There was a good variety of cars, there were even some who had tried to disguise their cars as a Lotus (nice try Charles, even if it is a TVR). The judging was completed by all, but was limited to, of course Lotus's. After a large debate (especially by the girls) the winner (plus a \$50 Repco voucher) by a long stretch was Tony & Angela's 1960 Lotus Elite, looking real good, as we always expect from Tony.

Following the judging was into the Horse and Trap for some refreshments and brunch. I didn't hear any complaints about the meals so I assume everyone enjoyed their meals.

It was a great morning thoroughly enjoyed by everyone, plenty of banter, good company in an ideal setting.

Some of the cars on display

Winning Car, Tony & Angela Herbert and their 1960 Lotus Elite.

Enjoying each other's company over meal and refreshments.
