

**Multi Car Club Fun Run – Riverhead Tavern
22nd May 2011**

Participants at Riverhead Tavern.

The sun shone as fourteen cars assembled at Smales Farm Office Park for the Lotus Club organised fun run. It was supposed to be 10,30 start, but will all the discussions over the various types of cars we finally got away at about 11,00am. There was a mixture of sports cars, including, Jenson's, Healey's, TR's, Matra's, and of course a number of Lotus's. The route took us around some interesting roads in Rodney. A coastal run up to Warkworth and then across to the Kaipara via Woodcocks and West Coast Road, this road, as always was very popular. Then, heading down the Kaipara Harbour to Riverhead via Kaukapakapa and the Riverhead Forrest to the Riverhead Tavern.

The tavern was busy, however, Landlady had set us aside in a private room off the lounge bar. After every one had got themselves some refreshments, and sat down for what was supposed be brunch but was more like lunch.

Smaller clubs, are all having issues with low turnout of members, with such events as this we I am certain we are going to see a lot more of these multi car club days All participants thoroughly enjoyed themselves and it was great to get together will other clubs on what was, a tremendous day out.
